Student ID Card

Step 1 Complete the Student Enrollment Form, give it to our Admissions Team to process and go to see the Receptionist.
Step 2 Get your photo taken for your student card
Step 3 Get your student card

I have been studying here at Strathfield College since 2013. It is an excellent study environment with excellent facilities and class activities (books, CDs, extra materials, games, working in a team and library). The teachers are well trained, competent, friendly and considerate. The reception and the Director are very helpful. I can say that here in this school my English has improved 100% without having to spend a lot of money.
